CHEESE POCKET DAYS — JANUARY 31 & FEBRUARY 1

Mark your calendars for our annual Cheese Pocket Days! Each year, we make cheese pockets to help send our kids and youth to camp. Every pocket folded and every order filled helps create opportunities for young people to grow in faith and experience God in powerful ways.

Prep Day & Assembly Day at the Church

Your help is essential and truly appreciated! There is a role for everyone—whether you enjoy prepping, assembling, cooking, or packing. Come join us as we work together to make this fundraiser a success.

Made to Order – Preorder Required!

This year, cheese pockets will be made to order, so advance ordering is important.

Preorder online: <https://givebutter.com/cheesepockets26>

You can also by calling/texting before January 20 — or risk missing out!

If you have questions or would like to place an order directly, please contact Skyla.

Thank you for supporting our kids, our youth, and their hearts for Jesus! ❤️

WOMEN'S MINISTRY

There will be no meeting in January. During this time, write cards or letters to friends in care facilities or contact those who could use some encouragement.

ET CETERA SHOPPE

Are you a person who would enjoy doing a simple sewing task, in your own home, to benefit the work of Mennonite Central Committee? Et Cetera Shoppe has the perfect opportunity for you! We are seeking more volunteers to sew rug strips together, for our weavers to make into rugs. Please call the shop at 925-7098, or stop in, and talk to Kris or Anita.

A WORD TO OUR CHURCH FAMILY

As we step into a new year together, I've been thinking a lot about what it means to be a church. Not just a place we go, but a people we belong to. A group of ordinary people trying to be faithful in ordinary ways, trusting God to do extraordinary things through it.

We've always been a church that shows up. You show up to worship. You show up to serve. You show up for each other in hard moments and good ones. That matters more than you probably realize.

Part of walking together also means being open about where we are. Right now, our giving has been a little behind where it needs to be. We are about \$5,000 short, it is something we need to pay attention to as its a real shortfall

I'm not sharing this to create worry or pressure. I'm sharing it because this is our church, and we carry it together. Ministry doesn't belong to a board, or a pastor, or a few families. It belongs to all of us.

If you're able, I invite you to prayerfully consider how you can be part of sustaining the life of this church through faithful and consistent giving. Not out of guilt. Not out of obligation. But out of love for this place and the people in it.

I am thankful for the ways God continues to work among us. I believe He is not finished with this church, and I am hopeful about what is ahead.

Thank you for walking this road together.
