This month, our Women's Ministry project will be providing financial support for WRAP Around Support in the Freeman community.

WRAP Teams are made up of volunteers who come alongside foster and kinship families to provide practical, hands-on support—helping them foster longer and stronger. Many families step away from fostering not because they lack love or commitment, but because they lack consistent support. WRAP exists to meet that need. Not everyone is called to foster, but everyone can support those who do.
